

Augustinian Province of England SAFEGUARDING POLICY

1. POLICY OVERVIEW

The Order of St Augustine (Augustinian Friars) is committed to safeguarding all children and adults. For the Augustinians this commitment directly relates to the fact that we are all made in the image of God and the Church's common belief in the preciousness, dignity and uniqueness of every human life. We start from the principle that each person has a right to expect the highest level of protection, love, encouragement and respect. Following on from the safeguarding reviews in 2020 we are committed to the One Church Approach to safeguarding by implementing the changes needed and ensuring we respond to victim/survivors promptly and compassionately.

2. SCOPE

- 2.1. This policy and procedure applies to all workers within the Augustinians as Religious, Lay, Voluntary or Employee, regardless of their role or the activities they undertake.
- 2.2. It is the responsibility of all Augustinians to prevent, whether by action or omission, abuse. Abuse in this policy refers to: physical; sexual; emotional; spiritual; neglect; self-neglect; organisational; material; psychological; financial; domestic or verbal. Additionally, behaviour which effectively results in modern day slavery or where there is evidence of discrimination or radicalisation, needs to be recognised and addressed as a safeguarding issue, in accordance with the procedures outlined in Section 6.

3. TRAINING

3.1 All Augustinians will undergo Safeguarding Training in relation to both Children and Adults relevant to their role. The list below outlines the minimum standards for training in each role:

- Provincial – RLG Lead Training (equivalent to Level 2)
- Safeguarding Lead – Safeguarding Lead Training (equivalent to Level 3)
- Board members – Trustee Training (equivalent to Level 2)
- Community Members who work with public – Advance Safeguarding Training (equivalent to Level 2)
- Community members who don't work with public – Basic Safeguarding Training (equivalent Level 1)

3.2 Augustinians and Board members will undertake yearly refresher training.

4. ROLES AND RESPONSIBILITIES

4.1 The Augustinian Provincial Council (Board)

The Board has a duty to maintain appropriate governance and oversight of safeguarding in accordance with this policy and national guidelines. Certain functions of the Board will be delegated to Order members, as indicated below.

2. The Provincial

The Provincial is responsible for ensuring appropriate policy, procedures and best practice are in place for the effective delivery of safeguarding, including any related due diligence checks. Certain functions of the Provincial will be delegated to members, as indicated below.

4.2 The Safeguarding Lead

The Safeguarding Lead has direct oversight of the Augustinian safeguarding policy and guidance, including management and oversight of documentation, case progression/management and the secure, legally compliant storage of safeguarding reports and related material as well as oversight of the relationship with and input in the work of the RLSS.

4.2.1 The Safeguarding Lead may delegate some of this responsibility to the RLSS (Religious Life Safeguarding Service) by referring the case to them but will remain as key contact for the case duration unless another individual is identified to assume responsibility.

4.4 All other roles

All Augustinians have an obligation to ensure they know how to respond to safeguarding concerns by being familiar with the content of this policy and the procedure contained within it and any other associated policies/procedures.

4.5 General

Everyone involved in the work of the Augustinians has a duty to disclose to the Provincial or Safeguarding Lead any safeguarding concerns that have been raised about them.

2. PRACTICE GUIDANCE

1. In accordance with Article 19 of Pope Francis' Apostolic Letter, "Vos Estis Lux Mundi", 7 May 2019 [3], It is the policy of the Catholic Church in England and Wales, as agreed by the Bishops Conference, April 2020, to report to the statutory authorities, all allegations of abuse made against those working in the name of the Church, regardless of whether the allegations or concerns relate to a person's behaviour in relation to their role within the Church or another setting. This policy must be applied in all situations where it is alleged, or there are reasonable grounds to believe, that a member of the Religious Community, lay persons, or associated volunteer or employee, has acted in one of the following ways:

- Has behaved in a way that has harmed or is likely to have caused harm to a child or a vulnerable adult. This would include any vulnerable adult irrespective of the cause of that vulnerability or whether the vulnerability is temporary or permanent.
- Has or is suspected to have committed a criminal offence against or related to a child or a vulnerable adult (including a vulnerable adult as indicated above.)
- Has behaved towards a child or vulnerable adult in a way that indicates they may pose a risk of harm to children or vulnerable adults.
- Has behaved in a way or made statements indicating that they may not be suitable to work with children or vulnerable adults.
- Has behaved in such a way that, by actions or omissions, their conduct has been intended to interfere with, prejudice, undermine or avoid a criminal, civil or

canonical investigation, against any person associated with or who is a member of a contracting congregation.

2. The behaviours above are to be considered within the context of the different categories of abuse outlined above and further detailed guidance is specifically provided in relation to sexual offences against children, including both recent and non-recent offences, and possession and distribution of indecent images of children.
3. Additional guidance is provided by the CSSA (Catholic Safeguarding Standards Agency) in relation to the sexual and criminal exploitation of children by organised criminal networks.
4. Additional guidance is also provided in relation to adults disclosing abuse outside the context of the Church. If a competent adult explicitly refuses the making of a referral about abuse that occurred outside of the Church, consideration must be given to whether the accused person has access to children who may be at risk. In these circumstances, the name of the accused and details of the allegation must always be referred to the statutory authorities. This can be done without disclosing the name of the victim/survivor where they have refused consent to do so, or where it is not possible to obtain consent.
5. It is the policy of the Catholic Church in England and Wales to report to statutory authorities where a child or an adult is at immediate risk of harm, or there is concern that a child or adult is suffering or is likely to be suffering from significant harm or abuse, from somebody who does not hold a role within the Church. This includes, but is not limited to:
 - Someone who is at serious risk of harm from self or others
 - Someone who poses a serious risk of harm to someone else
 - A concern about a child or vulnerable adult at risk of harm from someone else
 - Concerns over someone's mental capacity

6. PROCEDURE

6.1. If an Augustinian becomes aware of a safeguarding issue, they should contact the RLSS Safeguarding Team and pass the concern and all associated documentation immediately. You should ensure the person who made you aware of the concern knows you are doing this.

- 6.1.3 The RLSS or Safeguarding Lead at the Augustinians who takes the case should:
- Ensure the victim/survivor or individual has been informed of the next steps
 - Explain what will happen, give them options if possible and an indicative timescale
 - Contact any relevant bodies
 - Complete the safeguarding paperwork and ensure appropriate record keeping of all communications including phone calls, meetings and discussions in relation to the case.
 - Inform the Provincial that there has been a new safeguarding referral.
 - All referrals / reports outside of the RLSS should be made within 24 hours of receiving the information, unless there are exceptional circumstances to postpone making this referral/report
 - The decision to delay a referral/report must be authorised by Provincial

6.1.3 When the concern needs to be reported to a statutory agency, the individual reporting the issue must be informed that the information will not be kept confidential, and that the details will be passed on to the police and any other appropriate statutory body. All Staff should be supportive of the individual making the disclosure but should not seek more details than necessary for an initial statutory referral.

6.2. When to report:

6.2.1 Allegations or safeguarding concerns – When abuse is suspected, witnessed or a disclosure of abuse is received by an Augustinian there is a requirement to report these allegations of abuse, and other relevant safeguarding concerns to the appropriate statutory authority including social services/the police within 24 hours.

6.2.2 In case of emergency – If a child or adult is in immediate danger, at imminent risk or requires medical attention, the relevant emergency service must be contacted via 999. Local Social Services should also be contacted at the earliest opportunity in the case of a child or vulnerable adult.

6.2.3 In case of non-emergency – In a situation when there is no immediate risk to a child or vulnerable adult and no requirement to make a statutory report, the Augustinians or the RLSS on their behalf will work with the individual to agree desirable outcomes in line with this policy.

If a crime has also been committed, the police in that area should also be contacted. The referrer should confirm any verbal and telephone referrals in writing, within 48 hours, and obtain social care /police report reference details for inclusion on the relevant case file.

Additionally, restrictions may need to be placed on the person's role and remit while the matter is investigated for example they may be 'stepped down' from ministry or other conditions may be imposed pending the outcome of an investigation

6.3.5 Where it is believed that a criminal offence may have taken place, regardless of whether the accused person is living or deceased, the allegation should be referred to the police within 24 hours.

7. WHISTLEBLOWING

7.1. The Augustinians will encourage and enable anyone with a serious concern, to raise that issue without fear of victimisation, or disadvantage.

7.1.1 If that concern is regarding malpractice, illegal acts, or omissions, at the Augustinians or other religious institution relating to safeguarding, then the RLSS should be made aware.

7.2. The action taken by the RLSS will depend upon the nature of the concern referred. However, an investigation will be undertaken if appropriate, followed by appropriate action and written feedback will be provided, including a rationale documenting the reasons why identified actions have been taken. This can be delegated to the RLSS.

8. RECORDING AND STORAGE OF SAFEGUARDING CONCERNS AND CASE FILES

8.1. Primary responsibility for the management of documents and safeguarding case files lies with the Provincial and Safeguarding Lead / RLSS, who will ensure an accurate, auditable, and secure record of any safeguarding concerns or allegations referred to the Augustinians are maintained.

- Relevant contact details

9. SAFER RECRUITMENT PRACTICE GUIDANCE

- 9.1. The Augustinians will ensure that staff are subject to the appropriate Disclosure and Barring Service (DBS) checks (including enhanced DBS) in line with both statutory and Catholic Church requirements.
- 9.2. Appointments will be based on the person's experience, skills and ability to meet the set criteria and job specification for the specific role. It is essential to ensure that all documentation relating to the applicant is stored in a secure place and remains confidential.
- 9.3. Appointment to a role will not be confirmed until a satisfactory DBS Disclosure check has been received and previous employment references confirmed as being acceptable.
